

Have Your Say

On Social Care Today &

What You Will Need In The Future

A group of local charities are getting together and over the next few months will be holding a series of free information events focusing on social care provision in North Staffordshire. All events are free and fully accessible, a BSL interpreter and loop system will be available. Each session starts at 10:00 am and will be finished by 2:00 pm. Free refreshments will be available throughout the day including a light lunch (if you have any special requirements, please contact 01782 662872)
