

# Invitation to Your Voice 2012 Conference

What the implementation of Staffordshire Cares means for you and your family - get involved in helping us to provide the services that you want!

We would like to invite you to the fourth annual Your Voice conference:

**Staffordshire County Showground**  
**Tuesday 20th March 2012**  
**9.30am to 3.30pm**  
**Refreshments and a buffet lunch provided**

If you are a user of services or a carer, **Your Voice 2012** is your chance to have your say.

By the end of the day you will have:

- An update on the new Staffordshire Cares programme and what it means for you;
- An update on how Personalisation is developing and what that means in practice;
- A chance to have your say in how Engaging Communities and HealthWatch are developed;
- An opportunity to influence the county council's plans for adult social care;
- Had your say about the services that you receive.

After the event you will receive a report of the conference's outcomes. You will then be kept fully informed of what happens next and be given the chance to have your say in the continuing development and implementation of local action plans.

If you want to attend this important event, please complete and return the accompanying nomination form. If you need any further information about the event, please contact Julie Thompson-Edwards on 01785 854235 or email at [julie.thompson@staffordshire.gov.uk](mailto:julie.thompson@staffordshire.gov.uk)
